

COMMUNITY ENGAGEMENT STUDY

Land on the north side
of The Street
Plaistow, Billingshurst,
RH14 0NS

The proposal is driven by undertaking a detailed analysis of the site conditions to inform the layout and design of the proposed development.

It also promotes generous areas dedicated to amenity:

- The north-west corner has been allocated as a public open space
- The heart of the development offers a water feature with walkways and biodiversity enhancements that lead to a community orchard towards north-east corner

Allocated public open space ownership will be passed to the Parish Council
